20 or more Marine Batteries and get \$10+GST off!**

Orders can be mixed across brands and part numbers. Valid only on current stock and prices exclusively.

BOSCH MARINE

Bosch marine batteries are carefully engineered to provide the optimum balance between starting and deep cycling duties. They are also thoroughly insulated to protect against the high frequency vibrations created by rough sea conditions. The Bosch Marine battery is a long established proven performer in even the toughest conditions.

Parts:

HCM24600-M4
HCM27750-M4
HCM27750L-M4
HCM31830-M4
DC24-M4
DC27-M4
DC31-M4

ALEKTRO MARINE

Alektro Marine batteries are designed with performance at the paramount and manufactured by one of the largest car battery manufacturers in the world; who boasts 45+ years of experience and are trusted by some of the worlds most recognisable brands. All Alektro Marine series of batteries are dual purpose and presented at a cheaper price point than the Bosch and Amaron without sacrificing quality.

Parts:

HCM24-MF
HCM27-MF
DCM27-MF
DCM31-MF

AMARON MARINE

The Amaron® Dual-Purpose Batteries are designed for boats with a single battery that can be used for both starting and cycling, easily powering additional accessories. Built with thicker Duraflame calcium plates, these batteries provide reliable dual-purpose performance.

Parts:

M24R-70 AMARON
M27R-100 AMARON
GR-27L 90 AMARON
M31-105 AMARON
U1-350 AMARON
U1R-350 AMARON
