Complaint Handling & Dispute Resolution

Feedback, Complaints & Dispute Resolution

As a valued client, we actively encourage your honest feedback and the raising of any concerns where our services or the services of one of our representatives has not met your expectations. If one of our team members has done a great job we would invite you to share your experiences by emailing us on complaints@capricornrisk.com so that we can recognise that individual or team.

However, if your experience or service provided has not met your expectations we want to hear about it so that we can resolve the matter and improve our services.

1. Making a complaint

Your first step should be to contact us, and advise us of your complaint. We may be able to resolve the issue for you immediately, or review the matter and respond within an agreed timeframe.

You can contact us using the following details:

Telephone: 0800 555 303

Email: complaints@capricornrisk.com

Mail: PO Box 91567
Victoria Street West
Auckland 1142

In person: Talk to your New Zealand based Risk Account Manager

2. Internal dispute resolution process

We will take your complaint seriously and we will ensure that all facets of the complaint will be taken into consideration.

We will acknowledge receipt of your complaint within 2 business days and provide you with contact details of who will be managing the complaint.

If we have sufficient information we will endeavour to provide you with a response to your complaint within 5 business days of receipt.

If we cannot meet that timeframe, we will advise you of how long the complaint may take to investigate and when we will respond. We will also be in contact with you, at a minimum, every 5 working days throughout the complaint process.

In most cases, where your complaint has been resolved within five business days after receipt and to your satisfaction, we will not provide a final response letter. However, we will always provide one if requested by you, or if resolution takes longer.

3. External dispute resolution process

If an issue has still not been resolved to your satisfaction, you can lodge a complaint with the Financial Services Complaints Ltd (FSCL). FSCL provides fair and independent financial services complaint resolution that is free to consumers.

FSCL reviews disputes that fall within its Terms of Reference. Its final determinations are binding on us.
