For publication on Capricorn's website: www.capricorn.coop

The board of Capricorn has determined to:

1. declare a net dividend of 7% (effective 10% gross dividend yield where full franking credits are available) for Capricorn's contributed equity on 30 June 2021; and
2. deliver a trade rebate of AU\$15 million to be paid by way of additional reward points amongst Member accounts in proportion to their purchases through Capricorn for the financial year ending 30 June 2021.

The dividend and trade rebate are expected to be paid prior to the end of September 2021.

Members may elect to receive the dividend by way of further shares under Capricorn's Dividend Reinvestment Plan.

The dividend will be paid only if Capricorn meets the required dividend payment test under the *Corporations Act 2001* (Cth) at the applicable time of payment. Capricorn's board anticipates that the dividend payment test will be satisfied at this time.
